

UNIVERSITY *of* **INDIANAPOLIS**

2018-19 TRANSFER APPLICATION FOR ADMISSION
TRANSFER, VISITING, OR AUDIT STUDENTS (FULL-TIME OR PART-TIME)

APPLY NOW FOR FREE
AT [UINDY.EDU/APPLY](https://uindy.edu/apply)

ADMISSION GUIDELINES

Transfer Students. Eligibility is determined from a candidate's secondary school record, standardized test performance, and previous college achievement. For immediate admission consideration, transfer students usually should have achieved a good overall record and maintained at least a C average in previous college work. Applicants who haven't achieved this average may be considered after a one-semester waiting period from the date of their last college enrollment.

Part-time Students. Students who do not meet full-time admission guidelines and those seeking part-time load limits will be considered for part-time admission.

Visiting Students. Students working on a degree at another accredited institution may enroll as transient students at the University of Indianapolis. Prerequisites must be met in courses in which enrollment is sought. Visiting students must submit an official college transcript and must not be on academic probation. It is the student's responsibility to obtain course approval from the parent institution.

Audit Students. Audit (noncredit) students must meet prerequisites of the course in which enrollment is sought. No official grade or academic credit is awarded. Regular class attendance is expected; excessive absences render one subject to withdrawal.

ADMISSION PROCEDURES

Admission Decisions. A decision is made on completion of a candidate's application file. A *tentative* admission decision may be made for a transfer student based on a college transcript that includes completion of college coursework with a satisfactory minimum of a 2.0 GPA; a *final* decision is made based on the student's ability to submit all college transcripts and a final high school transcript showing completion of all graduation requirements and obtaining a high school diploma that meets federal guidelines for ability to benefit.

Tests to Take. Students seeking full-time admission must submit Scholastic Aptitude Test (SAT) **or** American College Test (ACT) scores. Writing samples are recom-

mended but not required for admission. Writing scores from the SAT or ACT may be used for placement or advising. This requirement may be waived if the applicant has earned more than 20 credit hours with a 2.0 GPA or above or holds an earned degree from a regionally accredited institution. The test requirement is not in effect for those who wish to attend part-time.

Credit Evaluation. Upon admission, the Transfer Admissions Counselor will evaluate your transcripts in conjunction with the Center for Advising and Student Achievement. The Registrar's Office will forward your credit evaluation to you by mail once it is complete.

Advance Tuition Deposit. A \$100 tuition deposit is required of all candidates offered admission to Day Division for the term beginning in August. The deposit is due March 1 for priority consideration or two weeks after the offer of admission, whichever is later. Requests to defer the tuition deposit during this period should be made to the Associate Vice President for Enrollment. It is 100 percent refundable on written request until May 1 and 50 percent refundable on written request from May 2 to July 1, but 100 percent nonrefundable thereafter. A \$100 nonrefundable tuition deposit is required for January Day Division enrollment.

Health Form. Students admitted for nine hours or more for Day Division must have a medical record on file prior to initial enrollment. This medical form will be sent from the Office of Admissions.

Credit by Examination. Students may earn an unlimited number of hours by scoring satisfactorily in the College Board Advanced Placement Program, Educational Testing Service College Level Examination Program (CLEP), or American College Testing Proficiency Examination Program (PEP). Information is available from the Registrar's Office at (317) 788-3219.

HOUSING (CAMPUS)

Candidates for Day Division enrollment should indicate a housing preference on the application form. Applicants planning to live in a campus residence hall will receive housing deposit and contract information at the appropriate time. Semester I housing deposits are due by

March 1 for priority consideration or two weeks after the offer of admission, whichever is later; refunds follow the tuition deposit schedule. Housing deposits for Semester II are due by December 1 or promptly on notification of admission, whichever is later. Semester II housing deposits are nonrefundable. Residence hall and roommate preferences will be honored whenever possible, with consideration given to the order in which deposits and contracts are received. Usually, housing is available only to full-time students enrolled in the Day Division, although individual requests will be considered on a space-available basis.

For residence hall information, call the Residence Life Office at (317) 788-3530. The University reserves the right to make all final decisions regarding residence hall assignments and to determine who may live in University-owned housing.

FINANCIAL AID

Types of Aid. Several types of need-based financial aid are available from federal, state, and institutional sources.

Eligibility. Before an offer of financial assistance can be made, a student must be admitted to the University.

Application Process. To apply for aid:

1. file the **Free Application for Federal Student Aid (FAFSA)**, available online at www.fafsa.gov. It must be received by the federal government on or before April 15. List the University of Indianapolis to receive a copy of the FAFSA (Code #001804).
2. file the **University of Indianapolis Application for Financial Aid** with the Financial Aid Office by March 1.

Questions? Call the Office of Financial Aid at (317) 788-3217 or 1-800-232-8634.

Instructions to the Applicant

1. Please request that official copies of high school/college transcripts and ACT or SAT test scores be mailed directly to the Office of Admissions.
2. Enclose the \$25 application fee and forward the form and fee to the Office of Admissions. Please make check or money order payable to University of Indianapolis.

**TRANSFER APPLICATION
SCHOLARSHIP SECTION**

The University of Indianapolis is dedicated to meeting the educational needs of outstanding transfer students and offers academic scholarships to qualifying full-time day transfer students who demonstrate prior college academic achievement.

Please indicate scholarships you think you qualify for by checking the appropriate box:

Phi Theta Kappa Honors Scholarship —\$500 annually

Academic Transfer Scholarship —\$8,000–\$11,000 annually

To be considered for the Academic Transfer Scholarship, a student must have completed at least 15 credit hours and earned a GPA of 2.5 or better.

Ivy Tech Community College 21st-Century Achievement Scholarship— Full Tuition

Ivy Tech Community College Graduate Scholarship—\$1,500 annually

For information regarding the criteria for these scholarships, visit uindy.edu.

Once you are admitted, more detailed information on these scholarships will be sent to you.

NOTE: These scholarships are awarded regardless of financial need. When a recipient qualifies for more than one University award, *only the highest award will be offered*. Additional sources of assistance may be available to transfer students who file the FAFSA and qualify.

FAMILY INFORMATION (optional)

Parent / Guardian 1

Name _____

Above is Mother Father Guardian

Is mother still living? Yes No

Marital Status _____

Complete Address (if different from yours) _____
