Affordable UIindy

We know it can be overwhelming as you decide which university is best for your future and as you wonder how you will pay for your education.

Here’s the reality: We know students and parents worry about “affording” a degree. That’s why our admissions and financial aid staff will take the time to personally assist you to help make a UIindy degree affordable.

In addition to investing in resources to help make your enrollment possible, we’ll continue to invest in you personally the moment you step on campus. Our faculty and staff are dedicated to understanding your passion and turning it into a meaningful career. Through a high-quality and relevant educational experience with a lot of support and flexibility, we’ll help you create the future you want for yourself.

Contact your admissions counselor or schedule a visit today at uindy.edu/admissions/visit-the-campus if you’d like to talk about how affordable attending UIindy can be and how we can help make your passion a reality.

We realize that making your way through the maze of scholarships, grants, loans and other funding sources can be confusing. UIindy’s Admissions and Financial Aid team has one priority – YOU.

We’re here for you – any time, any question admissions@uindy.edu or 800.232.8634

Next Steps —

See firsthand how you can become part of a legacy of a degree that is life-changing.

1. Fill out the FAFSA and choose UIindy from the “drop-down menu.” (Our federal school code is 001860)
2. Submit tuition deposit to UIindy
3. Explore outside scholarships through local communities and national sources
4. Receive and review your financial aid award letter in March, which includes your personal net cost
5. Talk with your admissions counselor about your financial situation and payment options
MYTH #1
The cost of attending a private college seems unrealistic.

Reality: Attending the University of Indianapolis is more affordable than you think. There is a difference between tuition costs and net cost. You may be surprised to learn that your individual net cost will be significantly less than tuition and will compete with that of most colleges.

First, we invest $39.5 million in scholarships each year to students with a variety of academic backgrounds. These scholarships range from $30,000 per year to full tuition. You will also find departmental scholarships and university need-based aid resources available to reduce your net costs.

A REALITY CHECK: "AFFORDABILITY" MYTHS

$39.5 million awarded annually

$97.6 million awarded in financial aid from all sources

University departmental and endowed scholarships

Individual personal net cost analysis/financial counseling

Flexible payment plans

Individual loan and loan repayment counseling

MYTH #2
The odds of receiving financial aid based upon filing the FAFSA are slim.

Reality: Here are some facts about Uindy:

In the current year

84% of Uindy students received some form of financial aid

$16.5 million in need-based aid from federal sources, state sources and the University of Indianapolis

3 million in aid to students on the basis of financial aid

Total aid awarded to Uindy students is $97.6 million

Just as each family’s financial situation is different, so is the cost of earning a Uindy degree. The amount of financial aid available is dependent upon a number of factors. To find out how you can lower your personal net cost, contact your admissions counselor.

MYTH #3
All degrees are the same—doesn’t matter where you go to college.

Reality: While cost is a factor in deciding which college to attend, other things to consider include how the university will support you and provide a foundation that will launch your career. At Uindy we give you a strong liberal arts foundation and a career-oriented education our graduates call second to none. Our faculty and staff work hard to get to know you and make sure your dreams and plans come true.

A student-to-faculty ratio 11:1

and professors who give out their cell phone numbers and know you well enough to notice when you need help, celebrate with you when you ace a final, and write a glowing job or graduate school recommendation

94% of Uindy graduates say the student-faculty connection provided an advantage in the workforce

The Professional Edge Center works with you from day one to help you figure out what you do best by building your social networks and connecting you to valuable internships that will get you where you want to go.
