

## **ATTENTION SENIOR DIVISION STUDENTS:**

If your project involves any of the subjects listed below (see checklist), you must complete the appropriate ISEF forms and submit them to the Regional Science Fair S.R.C. (or I.R.B.) as soon as possible. You may obtain copies of the forms from your teacher/sponsor, or by visiting <http://www.sciserv.org/isef/>.

### **The following areas require review and approval by SRC or IRB prior to experimentation:**

- Humans (requires prior IRB approval; complete forms: Checklist, 1A,1B,4[1C,2,3 if required])
- Non-Human Vertebrate Animals (requires prior SRC approval, complete forms: Checklist,1A,1B,2,5[1C,3 if required])
  - Recombinant DNA (requires prior SRC approval, complete forms: Checklist,1A,1B,[2,3,1C as required])
  - Pathogens (requires prior SRC approval; complete forms: Checklist, 1A,1B,2[1C,3,if required])
- Controlled Substances (requires prior SRC approval; complete forms: Checklist,1A,1B,2[1C,3,if required])
- Human/Animal Tissue (requires prior SRC approval; complete forms: Checklist,1A,1B,6[1C,2 if required])

### **The following area requires review and approval by a Designated Supervisor prior to experimentation:**

- Hazardous Substances or Devices (complete forms: Checklist,1A,1B,3[1C, if required])

**Mail your completed ISEF forms to:**

Central Indiana Regional Science Fair  
ATTN: SRC (or IRB)  
University of Indianapolis  
1400 East Hanna Avenue  
Indianapolis, IN 46227
