Interlibrary Loan

ILL Request form:

<https://uindy.illiad.oclc.org/illiad/logon.html>

ILL Articles:

- We will continue to borrow articles as we have in the past for items that KML does not own.
- If anyone has problems accessing KML database articles, we will fill those as well.

ILL Books:

- As many of our partner libraries are closing, physical lending of books is not available. Individual chapters can be requested and will be provided electronically.
- If you absolutely need access to a physical book, contact Kim Wenning at kwenning@uindy.edu to make arrangements.
- Ebooks from other libraries are not able to be borrowed

ILL is contingent on the other libraries' availability. Fill times may take longer than usual.

Access to KML print collection

- Access to the library collection is restricted
- Copies of books and print journals will be digitized as requested. We will send scanned copies of print journal articles and book chapters regardless of patron status.
- To request these items, fill out an ILL request using the article or book request form and we will treat them like we currently treat distance education students' requests.

Library Archives

- Archival material access is still available at this time via appointment with Archivist, Mark Vopelak at vopelakm@uindy.edu.
- Requests can also be made for items to be sent electronically
