

University of Indianapolis – Shaheen College of Arts & Sciences

2025-2026 Curriculum Guide for minor in Biology (BIOL) or Human Biology (HBIO)

Minor

Biology minor requirements (18 credits):

- **BIOL 159** Introduction to Ecology and Evolution (4)
- **BIOL 165** Introduction to Cell Biology (4)
Requires Chemistry prerequisite – see catalog
- **BIOL 225** Introduction to Genetics (4)
- **BIOL 265** Ecology (4)
- **BIOL ELEC** Biology Electives (2 hours required) †

Human Biology minor requirements (18 credits):

- **BIOL 210** Human Biological Variation (3)
- **BIOL 345** Human Evolution (3)
- **BIOL ELEC** Biology Electives (12 hours required) ††

NOTE: A grade of C (2.0 on a 4.0 scale) or higher is required in all courses applying toward the Biology or Human Biology minor and as a prerequisite for any higher-level biology course.

† Biology Electives must be 210 level or greater.

†† Human Biology Electives must be at the 210 level or greater and selected in consultation with faculty advisor

REMEMBER: If you have any questions about the Biology Major and its requirements, contact the Biology Department at biology@uindy.edu or contact your academic advisor.
