The Indiana Department of Education requires all Elementary Education majors to have a “minor.” The School of Education offers two concentration areas that fulfill this rule: Special Education (Mild Interventions) and Reading (Literacy). ELM2 majors can choose to complete one or both.

Elementary Education Degree with Mild Intervention Minor, Reading Concentration and STEM Concentration = 122.5 hours – A Bachelor’s degree requires a minimum of **120 hours**

NOTES:

**Available for embedded study abroad semester, if choosing to do so.

A four (4) hour **modern language** requirement is in place. It can be achieved by passing 2 years (4 sem.) of the same high school modern language; achieving 102 on the placement exam; or passing a 4-hour college 101 modern language course.

A **minimum grade of C is required** for all courses on this curriculum program sheet except any course in Fine Arts Theory, KINS-101, HIST-202, and course in Religion and/or any modern language taken to meet competency. For those courses only, a cumulative grade point average of C- (1.7 on a 4.0 scale) or higher is required.

REMEMBER: If you have any questions about the Elementary Education Program and its requirements, contact Jody Rose, Candidate & Gateway Coordinator (791-5721, jrose@uindy.edu, or visit her in the School of Education office).
